## FOR IMMEDIATE RELEASE

# PERLA GROUP INTERNATIONAL TO BUILD WORLD CLASS TELEPORT FACILITY

----

### Company Has Procured \$4.5Mill of Satellite and Teleport Communications Infrastructure – Facility Expected to Have Positive Revenue Impact on Telecoms Group Division

**Ft Lauderdale, Fla.** – January 04, 2011 – Perla Group International Inc., (PERL:PK) an emerging leader in the international military, police and security solutions sectors, today announced it has procured \$4.5 million of satellite and teleport communications infrastructure and will build a world class teleport facility.

Perla Group International President and CEO, Charles D’Alberto said the company plans to build the new facility in the Mediterranean with Cyprus being the leading candidate.

“We anticipate making a final decision on the location by the end of this month and begin construction in February,” D’Alberto said. “The new teleport facility should take approximately three months to complete and we anticipate it will increase revenue of that division to approximately \$10 million during the current fiscal year.”

D’Alberto said that the new facility will provide a multitude of services including; VSAT, equipment and server hosting, VoIP, satellite monitoring as well as a host of other telecommunications services. He said the facility will also house a 24/7 NOC (network operations center).

The Company recently announced it had secured three separate orders from the U.S. Military in Afghanistan for armored vehicles. These orders, valued at \$1 million, are the result of direct bids. Additionally the Company has signed a Memorandum of Understanding for a total of 143 “trained and certified” Explosives Detection Dogs. The first group of 23 were delivered in December with the balance to be delivered in 2011. The dogs will be utilized by the Iraqi Police Force. That contract is valued at \$1.8 million.

Through its four, wholly owned subsidiaries, Perla Group International offers leading edge products and services in aviation, telecom, armored vehicles and K-9 services in the burgeoning military, police and security sectors.
